

The Health Resources and Services Administration's (HRSA) Office of Regional Operations invites you to a free webinar on **Using Telehealth to Screen for Maternal Mental Health Issues**.

The webinar is a collaboration between HRSA Office of Regional Operations Region 1 and the Northeast Telehealth Resource Center.

Date: Wednesday, October 14, 2020

Time: 1:00 PM – 2:00pm PM EDT

Learning Objectives:

- Be able to deploy best practices for conducting mental health screenings during perinatal telehealth visits;
- Know the infrastructure and workflows that must be in place prior to implementing mental health screening via telehealth;
- Gain awareness of the major challenges of implementing mental health screenings during perinatal telehealth visits;
- Gain awareness of the resources available to those interested in implementing telehealth-based services; and
- Gain awareness of programs and investments related to maternal mental health available from the Health Resources and Services Administration.

Featured Speakers:

Sandra Wood, APRN, CNM, PMHNP, Certified Nurse-Midwife and Psychiatric Mental Health Nurse Practitioner, University of Vermont Medical Center

Laura Pentenrieder, MPH, Program Manager, Screening, Treatment, and Access for Mothers and Perinatal Partners (STAMPP) Grant, Vermont Department of Health

Christopher Bersani, Psy.D. ABPP, Captain USPHS, Deputy Regional Administrator, HRSA Office of Regional Operations Region 1

Reid Plimpton, MPH, Project Manager, Northeast Telehealth Resource Center

Webinar Facilitator: **Elizabeth McNamee**, LCSW, Public Health Analyst, HRSA Office of Regional Operations Region 1
